**Homework:** Homework problems will be assigned for each section we cover. You are expected to complete each problem by the given due date. There will be homework quizzes given each class which will be taken directly from the homework. You will be allowed to use your homework to complete the quiz so it is to your benefit to have the problems completed on time. Additional homework problems may be assigned and collected during the semester.

**Attendance:** Attendance will not be required but success in class has been shown to have a direct link with showing up. If attendance slips I will notice so please come to class.

**Graphing Calculator:** A graphing calculator is required for this course. The suggested calculators include the TI-83 or TI-83 plus and the TI-84. NOTE: Calculators with QWERTY keyboards or those which do symbolic algebra such as the TI-92s, TI-89s, Casio FX2 or 9970G's cannot be used in class or during an exam. You are responsible for knowing how your calculator works! There are also calculator handouts etc on my website.
